# How to PREPARE

Recommendation for Marriage paperwork needs to be completed for both persons by their Father's of Confession prior to the engagement prayers. Found at [orthodoxy.ca/forms](http://orthodoxy.ca/forms)

After having completed the previous requests, please fill out the engagement report form. This can also be found at [orthodoxy.ca/forms](http://orthodoxy.ca/forms)

Finally, the engaged couple should enroll in the Marriage Preparation course offered by the diocese as soon as possible. Please note that this course must be completed during the engagement period, prior to the marriage ceremony.
